

Computer Requirements

All of CCN's graduate courses are online. It is therefore vital that you have access to a reliable, reasonably fast computer with adequate software to complete your work. In general, you should have an up to date machine, a good Internet service provider and software that you may be able to obtain with an educational discount. Please see the specific requirements below.

Your machine should have *at least*:

PC:

Windows 98 or higher

CPU (chip): Pentium II 500 Mhz

Memory: 128 MB of RAM (256 MB Recommended)

Browser: IE 4.1 (6.0 recommended), Netscape 6.0

MAC:

OS 8.6 or higher

CPU: Power PC (G4 recommended)

Memory: 64 MB of RAM (128 MB Recommended)

Browser: IE 5.0, Netscape 6.0

plus,

Internet Service Provider – 56K modem or higher (Cable modem, DSL recommended)

Microsoft Word & PowerPoint

Sound card and video card

PC Speakers
